The vision is simply to know the heart of God for our family, friends, community and world around us through prayer and intercession.

(2 Chronicles 7:14)... “If my people who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways,

then will I hear from heaven and will forgive their sin and will heal their land.”

PROPHETIC INTERCESSION & WORSHIP

FCHOP is conducted in a theater space where the community is welcomed to rest and seek the Lord in an atmosphere conducive to hearing God's voice. ***It's a place where people experience spiritual and emotional & physical healing and rest.***

Weekly, this prophetic time is facilitated by a live web feed on our theater size screen from the International House of Prayer (IHOP) from Kansas City.

Once a month FCHOP incorporates worship teams from our community to lead in this prophetic revival prayer movement over our community.

If your church or worship team is interested in partnering with us by signing up for a two hour spot with FCHOP then send an email to Pastor Kurt at pastorkurt@ffcministries.com or Pastor Joel at joelp@ffcministries.com or call 703.878.4320 for more information and scheduling.
